To remain on the approved list students must make a first payment of \$135 by January 18th. In addition, students must demonstrate a daily commitment of positive engagement in all rehearsals. A minimum of 92% in choir engagement is required for participation in this trip. All payments must be made on time. Students must commit to learn the music and attend our 6 evening rehearsals in the Fall. Failure to meet this criteria will result in removal from the trip.

GROUP SCHOLARSHIP

Our choir performance fundraisers (ticket sales, Friends of Choir, donations) will be applied to the entire group to attempt to bring everyone's cost down as close as possible to \$1,000. If all goes well we will announce in September what the reduced price will be. We won't be offering individual scholarships, as we want to spread out our fundraising to all participants (including chaperones).

CHAPERONES

Parents will have the opportunity to apply as chaperones by submitting an application by January 11th. Cost is the same as students. Parents will be selected based on applications. There are a limited amount of chaperone spots on the trip. Parents will be notified on January 11th if they are selected as a chaperone. Payment deadlines for chaperones are the same as students. Chaperones are expected to room with students as our pricing is based on 4 people/room.
